

### ***CLINICAL EDUCATION WORKSHOPS***

#### APTA Credentialed Clinical Instructor Program (CCIP) Level 1

The program (two days) addresses issues of planning and preparing for physical therapy students during their clinical experiences, developing learning experiences, and supporting ongoing learning through questioning and effective feedback. Skills of student evaluation are discussed, as well as the identification and management of students with exceptional situations. It includes information regarding student supervisory guidelines, as well as legal regulatory and ADA issues. An "Assessment Center" provides each participant with the opportunity to apply information from the program in simulated situations. **15 contact hours**

#### APTA Credentialed Clinical Instructor Program (CCIP) Level 2

The focus of this course is *best clinical practice* and *best clinical teaching*. This course is open to physical therapists and physical therapy assistants who have taken the CCIP Level 1 workshop. It includes two days of programming along with some online preparatory work to be applied in class. **16.75 contact hours**

#### Annual Clinical Education SIG (CESIG) Conference

This one-day conference is held each year for anyone interested in topics related to clinical education. **7.5 contact hours.**
