

**Purpose::**

Consistent with its mission to promote quality clinical education, the APTA Wisconsin Clinical Education Special Interest Group (CESIG) is committed to providing financial support for clinical members to attend APTA Educational Leadership Conference. To achieve this, funds will be designated each year to fund up to \$1000.00 in scholarship per person by reimbursement, up to two selected applicants.

**Procedure:**

- I. Interested members should complete the application and submit it to the CESIG Board for review by July 1st.
- II. Applications will be reviewed by members of the CESIG Board. The recipient will be chosen within 3 weeks of the application deadline.
- III. The following factors will be considered when choosing the recipient for each scholarship:
  - a. Active participation in the CESIG to include any of the following: regular meeting attendance, designated champion of strategic plan objective(s), active participation in working on strategic plan objectives, or serving on the CESIG Board.
  - b. Articulation of how attendance will assist in achieving professional goals related to PT/PTA education.
  - c. Whether an individual has received prior conference financing.
- IV. Financial assistance will be provided in the form of an up to \$1000 reimbursement that can be applied toward conference registration, travel, and/or lodging costs. APTA WI forms to be submitted within 60 days of the conference date for reimbursement.
- V. At the annual CESIG educational conference the following year, the recipient of the scholarship will be required to present a brief summary/in-service focusing on information learned at the conference.
- VI. APTA membership is required for a member to receive the scholarship.
- VII. The recipient is required to attend daily programming and a Clinical Education meeting.
